

Internship status meeting 4

- Date: 22-05-2025

Report

Trevor started the meeting by telling that he is really happy with our work at the university.

Next we explained the work we have accomplished so far, which includes:

- Split of the network racks in Mount Pleasant
- Meetings / presentations with Joe, Nick and Trevor about our plans for the network
- Meeting to discuss what to order for the Unifi proof of concept.

A short meeting but a very positive one.

TODO

Handover presentation / meeting

Conclusion

The meeting was short, but very positive. Trevor and Joe are very happy with our work and the progress we have made. We will have a handover presentation / meeting in the next weeks to finalize everything.
